PRAYER REQUEST

SWITCHING CAMPUSES - PHOP

Please continue to be in fervent prayer for wisdom over the switching of campuses with Parkway House of Prayer. We want to encourage you to join the church staff in making every Monday a day of prayer and fasting. (Choose your day of the week and means of fasting, whether from a meal or meals or some other means.) We understand and know that without a shadow of a doubt, that IF the Lord leads us as a church family to consider this possibility and it ends in a campus exchange, that it will truly be a miracle to be shared and remembered and all for the glory of God and the future of souls

If you haven't already, we encourage you to watch the video we showed during service last Sunday for a glimpse at the PHOP campus. (Please be aware that this is in no way saying that this is the confirmed new Lighthouse campus.) The link can be found at the

Let it be said of us at Lighthouse Bible Church, as it was in Ezra 8:23, "so we fasted and entreated our God for this, and He answered our prayer" no matter the outcome. Let's take this journey together as a church family and see what miraculous things the Lord has in store next. We will keep you posted as meetings take place and information is formulated.
