TECH MINISTRY

NOW RECRUITING NEW VOLUNTEERS

NO EXPERIENCE NEEDED, TRAINING

PROVIDED

Our Tech Team is looking for some new recruits! Our Tech team supports the church's audio, video, media presentation, and lighting for Sunday services and special events. All of our volunteers work together to create a positive and meaningful worship experience for our Lighthouse family. You'll be learning and working alongside experienced techies and quality equipment - this is a great opportunity to learn new skills, develop or fine tune your hobby, even build your resume. No previous experience required, we will train! Our only requirements are dependability and a readiness to learn.

If you are interested in joining or curious about this crucial ministry, scan the QR code to fill out our form online or leave your name at the bulletin board. Our ministry elder or deacon will be in contact with you about our next meeting in January.
