At Manna Church, we are on a mission to glorify God by equipping His people to change their world and planting churches with a world-changing vision.

We Plan to Accomplish This By . . .

- Helping God’s people discover their individual gifts and callings, creating an environment where these may be developed, and deploying God’s people into their world to be salt and light. Our small groups are designed to help accomplish this goal.
- Helping God’s people build strong families and creating a community where individuals may find fulfillment and expression, regardless of age or marital status.
- Planting churches with the same vision both domestically and abroad.
