You are not ever unknown.**

Reflect and Discuss

1. Did the Lord bring anything to your mind today as you listened to the message?
 2. What, if anything, is weighing you down? Does it cause you to want to run away?
 3. Can you identify areas in your life where you feel unseen and unknown?
 4. How does knowing God sees you affect your life today?
 5. What is your big takeaway? How should you respond this week?
