Prayer

At Manna We Believe that

Jesus Christ, the eternal Son, possesses all the divine excellencies, being co-substantial and co-eternal with the Father and the Holy Spirit. In His incarnation, He united to His divine nature a true human nature and so continues to be both God and man, in two distinct natures and one person, forever. He was conceived by the Holy Spirit, born of the Virgin Mary, fulfilled the requirements of the law by His sinless life, suffered under Pontius Pilate, poured out His blood as a vicarious and propitiatory atonement for sin in satisfaction of the divine justice, and on the third day was raised from the dead in the same body, now glorified. He ascended into heaven and is now seated at the right hand of God the Father interceding in Glory for His redeemed.
