

The Day Fire Fell from Heaven

Dr. Bill Wilks

Acts 2:1-47

May 17, 2026

Do you recall playing the "hot or cold" game when you were a child? Someone would hide an object and give clues on how close you were to finding it by saying that you were hot, warm, or cold.

If Jesus were to give a clue today on how close you are to Him, what would he say? Would He say you are hot, cold or just lukewarm? Jesus had some strong words for one church in the Bible that was merely lukewarm. This may be where some of you are today (Rev. 3:15-16).

In our text, the church of Jesus Christ was born as fire fell from heaven on His disciples and they were all filled with the Holy Spirit.
