Some people are so famous that they need no introduction. Everyone knows their faces, their names, and could share many intimate details about their lives.

Unfortunately, this is not the case for the Son of God. Many people know about Him, but they don't really know Him. There is a great deal of confusion in the world today about who Jesus really is.

In our text, the author of Hebrews opens his letter by giving his readers a proper introduction to the true Son of God.
