Have you ever had a moment when you felt like all hope was lost? If so, you are not alone. In these uncertain times, many people battle daily with disappointment, despair, grief, and a sense of loneliness.

This is how Jesus' followers felt after His death and burial. But on the first day of the week, what some women found at the tomb was not what they expected. Jesus' resurrection changed everything! Their despair turned to delight, knowing they would never walk alone again.

In our text, a certain group of women came to the tomb bringing spices for Jesus' body, but He was not there—He is risen!
