Have you ever bought yourself a Christmas gift? Perhaps it was something you've always wanted but never requested, so you just got it for yourself. But still, gifts from others always mean more.

The true story of Christmas reminds us that there is one gift we cannot buy ourselves. It's a gift given by another that is so rare and priceless that we do not deserve it and could never afford it.

In our text, God spoke through His prophet Jeremiah and promised a gift that we cannot buy ourselves.
