Are you ready for the return of Jesus? Many Bible prophecies speak about “the day of the Lord.” This term does not apply to a 24-hour period but to the whole schedule of events related to Jesus’ return.

“The day of the Lord,” refers to all things associated with the second advent, when Jesus will return for His church, bring judgment on the earth, redeem the Jewish people, and usher in His millennial kingdom.

In our text, Paul warned unbelievers that the day of the Lord will come upon them like a thief in the night.
