From the dawn of creation, marriage and family have been the bedrock of civilization. In the Garden of Eden, God created a wife for Adam and blessed their union as being "very good" (Gen. 1:31).

Centuries later, Jesus came and reaffirmed the Father's divine plan for marriage and family (Mt. 19:4-5). God's plan for marriage is no gray area in the Bible. However, from the very beginning, Satan has used sexual immorality and depravity as a ploy to destroy lives and families.

In our text, Paul truthfully and clearly addressed the issue of sexual immorality in the church at Corinth.
