Once you have experienced the true joy of salvation, you want others to experience it too. You want to bring others to Jesus.

Real change in life only comes through faith in Jesus, and we see in the Bible how God uses ordinary people to bring others to Him. The Holy Spirit still empowers people today to be His witnesses (Acts 1:8).

In our text, God used common men like John the Baptist, Andrew, and Philip to bring others to Jesus for salvation.
