God calls us to Holiness (being set apart) but that does not mean we are called to disengage with the community around us. We connect with the fallen world with the goal of bringing transformation and the temptation of fitting in.

Throughout these stories in Acts, Paul shows us an emboldened faith fully set ablaze by the Holy Spirit. But we must do more than marvel of his missionary pursuits, we must follow that intentional “live sent” mindset in our daily lives.

Key Truth: Our desire to fit in keeps us from fulfilling Christ’s calling. Faith on fire leads us to...

1. _____ that causes action (v. 16).
Acts 20:22
2. _____ that causes engagement (v. 17-29).
3. Lack of _____ that causes boldness (v. 30-31).
4. _____ rather than a reliance on results (v. 32-34).
