Romans 8:1-18

How much power would it take to raise a dead person to new life? We don't really know, do we? No power on earth has ever been able to raise the dead. All earthly power falls short of resurrection power.

However, there is a power that can raise the dead. It's a power that comes from above. The power of the Spirit of God raised Jesus from the dead. And this same Spirit lives in every true believer in Christ.

In our text, Paul taught about the Spirit of life that can set believers free from sin and death.
