Have you been born again? Many people don't understand what this means. A person might say, "I am a Christian, but I'm not one of those born again Christians." This reveals great confusion about the matter.

The fact is that there is only one kind of Christian and that is a born again Christian. The reason why you must be born again is because that is the only way that you can have eternal life in heaven.

In our text, Jesus explains to a religious leader named Nicodemus why he must be born again to new life.
