Prayer is one of the most basic things in the Christian life. Sometimes as believers we enjoy closeness with the Father, other times we feel like we are doing nothing more than talking to ourselves.

From a prison cell in Rome, Paul wrote a letter to the Ephesians to remind them of the inexhaustible riches they possessed in Christ. Through faith in Him, they had been brought from spiritual death into glorious new life (Eph. 2:4-5).

In our text, Paul prays that his readers would have the ability to grasp the fullness of the boundless blessings that believers possess in Christ.

Main Thought...

Is there a way for us to learn how to pray biblical prayers? Here are four ways:

1. Commit to a _____ of Prayer (v. 15-16).
2. Pray for _____ needs (v. 17).
3. Pray for _____ from the Holy Spirit (v. 17-19).

Paul prays that we may comprehend three things:

- Our _____ (v. 18a).
 - Our _____ (v. 18b).
 - God's _____ (v. 19-23).
4. Pray Christ _____ prayers (v. 20-23).
