What child has not tenderly caressed and closely examined the hand of a loving father? There is something special about a father's hand.

Likewise, there is something special about the hand of our heavenly Father. At times, it can be a heavy hand of conviction (Ps. 32:3-4). But it can also be a gracious hand of provision (Isa. 41:10).

In our text, the hand of the Lord was with the believers at Antioch and a powerful church was born.
