The Spiritual Journey of Simon Peter

The Heart of a Christian Home

Dr. Bill Wilks

Mark 1:29-39

To have a genuine Christian home is one of life's greatest blessings. It requires the leadership of a loving and godly man. But at the heart of a Christian home is a loving and godly wife and mother.

In what may have been the very first "Christian" home, Simon Peter's home in Capernaum became the base of operations for Jesus' ministry in Galilee. It's believed that Jesus lived there, sharing space with Peter and Andrew as well as Peter's wife and mother-in-law.

In our text, Jesus healed Peter's mother-in-law from a fever, and she immediately rose up to serve Him.
