Who am I? Why am I here? Does my life matter? If you've ever asked yourself these kinds of questions, you are not alone. At some point, we've all pondered the meaning of life and wondered if it matters.

The answer is simple. Life only matters if there is a Maker. And according to the Bible, there is a Maker. You can be certain that your life matters because God created you with a special purpose in mind.

In our text, King David wrote a beautiful song about our Maker and about why our lives really do matter.
