No true follower of Jesus should ever have a life that is boring or drab. If you choose to accept it, God has a mission for your life that is both meaningful and adventurous.

Our mission is challenging but not impossible. It is made possible by the power of the Holy Spirit that God has given us (Mt. 28:19-20). Like the Apostle Paul and other believers of the early church, we have the high privilege to be on mission with the Spirit (Act 13:2-4a; 16:7-10).

In our text, the Apostle Paul recounts his incredible experiences of being on mission with the Holy Spirit.
