

The Missing Disciple
Matthew 28:16-20

Judas is a name that lives in infamy. He is the missing disciple. He is the one out of the twelve who failed to live out his calling and betrayed Jesus for thirty pieces of silver.

Judas is the greatest example of missed opportunity the world has ever known. No one sets out to be a Judas, but many fail to see the opportunities that God places before them.

In our text, the resurrected Jesus gave His disciples their Great Commission, but only eleven showed up to receive it.
