The Spiritual Journey of Simon Peter

## Launching into the Deep

Dr. Bill Wilks

Luke 5:1-11

Do you know the difference between godly contentment and ungodly complacency? We find godly contentment through our identity in Christ, but we must never become complacent with regards to our intimacy for Christ (1 Tim. 6:8; Phil. 3:13-14).

Jesus will not allow us to become spiritually complacent if we continue to follow and obey Him. Peter and his friends would find this out as Jesus was about to call them to a new level of commitment as His disciples.

In our text, Jesus commanded Simon Peter the fisherman to launch out into the deep and to let down his nets for a catch.
