### Let's Fight For Your Kids (Part 1)

Let's Fight | Week 2 | Deuteronomy 6:1-9

#### **INTRODUCTION**

As parents, we have a job to do. We have a stewardship responsibility to God when it comes to how we bring up our children, and He tells us that if we start them off correctly, even when they grow old, they will not depart from the truth. If you fight for your kids and raise them to know and love God, they are much more likely to stay grounded on the foundation in which you raised them. It's not a promise of God, because every child was given free will, but God's instructions to parents here are clear. Do it God's way and give your kids a chance against the schemes of the evil one!

#### **KEY POINTS**

#### 1. Make God THE Priority of your life and your family.

We are commanded to make God THE priority of our home...and not just A priority in our home. And you know when God expects this to start? He says to start early. 2 Timothy 3:15 says, "And you know that from infancy you have known the sacred Scriptures, which are able to give you wisdom for salvation through faith in Christ Jesus." From infancy, God tells us we should make God the priority of our home.

# 2. Establish a Biblical worldview in the hearts of your kids.

Notice how Moses instructed this generation in today's key passage, preparing them to fight for their kids. He said to teach them that:

- There is A God. Your life is not an accident. There is a God who established the earth and created you, a God who created you on purpose and for a purpose.
- There is ONE God. "The Lord is one." He's not one of many. He's the one and only.
- He is OUR God. "The Lord our God." He's a personal God who loves you, who is with you, and who is for you.

Let's Fight | Week 2 | Deuteronomy 6:1-9

# 3. Know God's Word and prioritize the Lord over everything else.

Scripture says you are to love the Lord your God with all your heart, with all your soul, and with all your strength. There are two parts to this I want to break down.

Know God's Word. If you're going to fight for your kids and expect to win, you need to be spiritually healthy. You can't give your kids something you don't have. Therefore, you have to do your due diligence to learn and study God's Word so you can teach your kids from what you're learning.

Prioritize the Lord. Is God #1 in your life? He should be! If God isn't number one in your heart, in your life, and in your list of priorities, your kids already know it. And they're going to model the example you set. This is why it's so important to have God as THE priority in your life.

### **QUESTIONS TO CONSIDER**

- 1. How have you made God THE priority in your life, not just A priority?
- 2. Is there any area you can improve on when it comes to the example you're setting for your kids on how to follow Jesus?
- 3. What are you doing to make sure you know God's Word so you can teach your kids from what you're learning in your own time?
