Title: True North

Heaven and earth will disappear, but my words will never disappear. -Jesus (Matthew 24:35)

## Christ The King's Statement of Faith #1 **God and His Word are trust worthy**

Everyone needs to find "true north". At CTK Network, we believe in the trustworthiness of God and His word. Our trust in God's Word is based on the presupposition that there is a God, and that this God has taken steps to reveal himself to us. We believe the Bible is God's revelation to man. As such, the scripture is our final authority for what we believe and practice.

The Bible itself is the best evidence for what it claims to be. The Bible is "alive". Because the words are the breath of God (2 Timothy 3:16), the Bible is useful for teaching ("this is the right path"), rebuking ("you are on the wrong path"), correcting ("this is the way back to the path"), and training ("this is how you stay on the path").

At CTK we interpret the Bible "normally" – at face value according to its literary style. All our teachings are Bible based.

## Christ The King's Doctrinal Statement #1

The Scripture, both the Old and the New Testament, are the inspired Word of God, without error in the original writings. It is the complete revelation of His will for the salvation of men and the divine and final authority for Christian faith and life. (2 Timothy 3:16, 2 Peter 1:21).
