

GRACE TO GROW

I Peter 5:8-11

God's provision of things that are either physical, emotional, or spiritual that are drawn from the eternal supply of God.

GRACE PERFECTS

Grace saved us by
Jesus Christ...
Grace is shaping us
to be like
Jesus Christ.

GRACE
ESTABLISHES

God's grace
helps us to be
stable amid
uncertain
environments
and unstable
emotions.

GRACE
STRENGTHENS

Trials reveal
our weakness and
God's strength.

GRACE SETTLES

It is by God's
grace that the
things that would
normally destroy
us build us and
make us stronger.
