

By God's
Grace
For God's
Glory
I Corinthians 15:10

Our faith is not
in vain because
of His sacrifice.
His grace is not
in vain because
of our service.

Your past sin
does not limit
God's working
in your life, but
your pride will.

Change of Grace

God's grace did
not just change
our future
destination,
but our present
disposition.

Capability of Grace

Sincere and
authentic service
flows from a
worshipful heart
of gratitude.

Capacity of Grace

God's work is
manifested, not
just through our
talent and
strength, but
through our
obedience.
