Philippians 3:1-16

One of the greatest ways to purify  
and prioritize our lives is to filter  
it through our pursuit of Jesus Christ.

One of the greatest signs of Christian maturity is living with a constant hunger for a deep relationship with Jesus Christ.

# OBJECTIVE OF OUR FOCUS

Whatever we have to lose to gain  
a greater walk with Jesus is worth  
the investment.

# OPPOSITION TO THE FOCUS

The goal of Jesus is more beautiful than any temptation, more powerful than any opposition and more fulfilling than any earthly accomplishment.

# OFFENSIVE OF THE FOCUS

You will follow  
what you are focusing on.

How passionately are you personally following Jesus now?
