

KEEPING THE GLORY

I SAMUEL 4

The revelation of His character and attributes by which we receive the benefits of His grace and mercy.

While it is true that God's glory brings
God's blessing, there is no greater
blessing than the glory of God.

The background of the image is a sky at sunset or sunrise. The sun is a bright yellow-orange orb at the bottom center, partially obscured by a layer of clouds. Sunbeams radiate from the sun, illuminating the sky and the clouds. The clouds are a mix of white and orange, with some darker blue-grey clouds higher up. A white rectangular box with a thin black border is centered in the upper half of the image, containing the text.

It is a tragedy when God's people
live below God's intention.

A sunset sky with a white text box. The sun is low on the horizon, casting a bright glow and illuminating the clouds with orange and yellow light. The sky transitions from a deep blue at the top to a lighter blue near the horizon. A white rectangular box with a thin black border is centered in the upper half of the image, containing the text "SIGNS THAT THE GLORY IS GONE" in a dark blue, sans-serif font.

SIGNS THAT
THE GLORY IS GONE

If we do not keep God in His rightful place, everything else will fall apart.

HOW TO GET THE GLORY BACK

The glory of God shines greatest
on those who bow only to Him.
