

# We Will Worship

A Product of the BBCDQ Youth Praise Team

## Verse 1:

When our hearts are heavy, we will worship  
When our souls are happy, we will praise.  
When we feel betrayed and, want to give up  
We will lift our eyes as, hands we raise

## Pre-Chorus:

It doesn't matter  
If times are hard or good,  
We know that we should, if we could  
Give Him the glory  
It doesn't matter  
If we should win or lose  
We've got to choose  
To sing our song  
All day long

## Chorus:

We will worship  
When we see the sun a-rising  
We will worship  
Far beyond the setting sun  
And we will worship 'til we cry out in surrender  
We will worship 'til we've given all we've got  
We will worship 'cause You're God...and we're not<sup>1</sup>

## Verse 2:

When we're feeling anxious, isolated  
We will cast on Him our every care  
When we feel forgotten  
We know that Your Begotten Son  
Gave all He had to give  
So we could live
