The image features a vibrant tropical sunset scene. The sky is a mix of deep orange, red, and yellow, with some wispy clouds. Numerous palm trees are silhouetted against the bright sky, their fronds clearly visible. Overlaid on this background is the word "ALOHA!" in a large, bold, yellow, sans-serif font. The letters are slightly tilted upwards from left to right, giving a sense of movement and energy. The exclamation point is particularly large and prominent.

Arizona college asks students to consider 'pee privilege' over transgender issues

Signage says privileged men, women 'know which bathroom to pick'

By [Douglas Ernst](#) - The Washington Times

"Pee privilege" is a big enough concern at [Northern Arizona University](#) to warrant official signage outside restrooms.

"Lumberjacks" attending class in Flagstaff are being asked outside bathroom facilities to mull over transgender politics. Posted information discusses privileges bestowed upon those who do not question gender, along with the proper etiquette for dealing with individuals who appear out of place.

Genesis 9:11-16

Thus I establish My covenant with you: Never again shall all flesh be cut off by the waters of the flood; never again shall there be a flood to destroy the earth.” And God said: “This is the sign of the covenant which I make between Me and you, and every living creature that is with you, for perpetual generations: I set My rainbow in the cloud, and it shall be for the sign of the covenant between Me and the earth.

Genesis 9:11-16 (continued)

. . . It shall be, when I bring a cloud over the earth, that the rainbow shall be seen in the cloud; and I will remember My covenant which is between Me and you and every living creature of all flesh; the waters shall never again become a flood to destroy all flesh. The rainbow shall be in the cloud, and I will look on it to remember the everlasting covenant between God and every living creature of all flesh that is on the earth.”

Genesis 6:6-8

And the LORD was sorry that He had made man on the earth, and He was grieved in His heart. So the LORD said, “I will destroy man whom I have created from the face of the earth, both man and beast, creeping thing and birds of the air, for I am sorry that I have made them.” But Noah found grace in the eyes of the LORD.

Punnett Square Basics

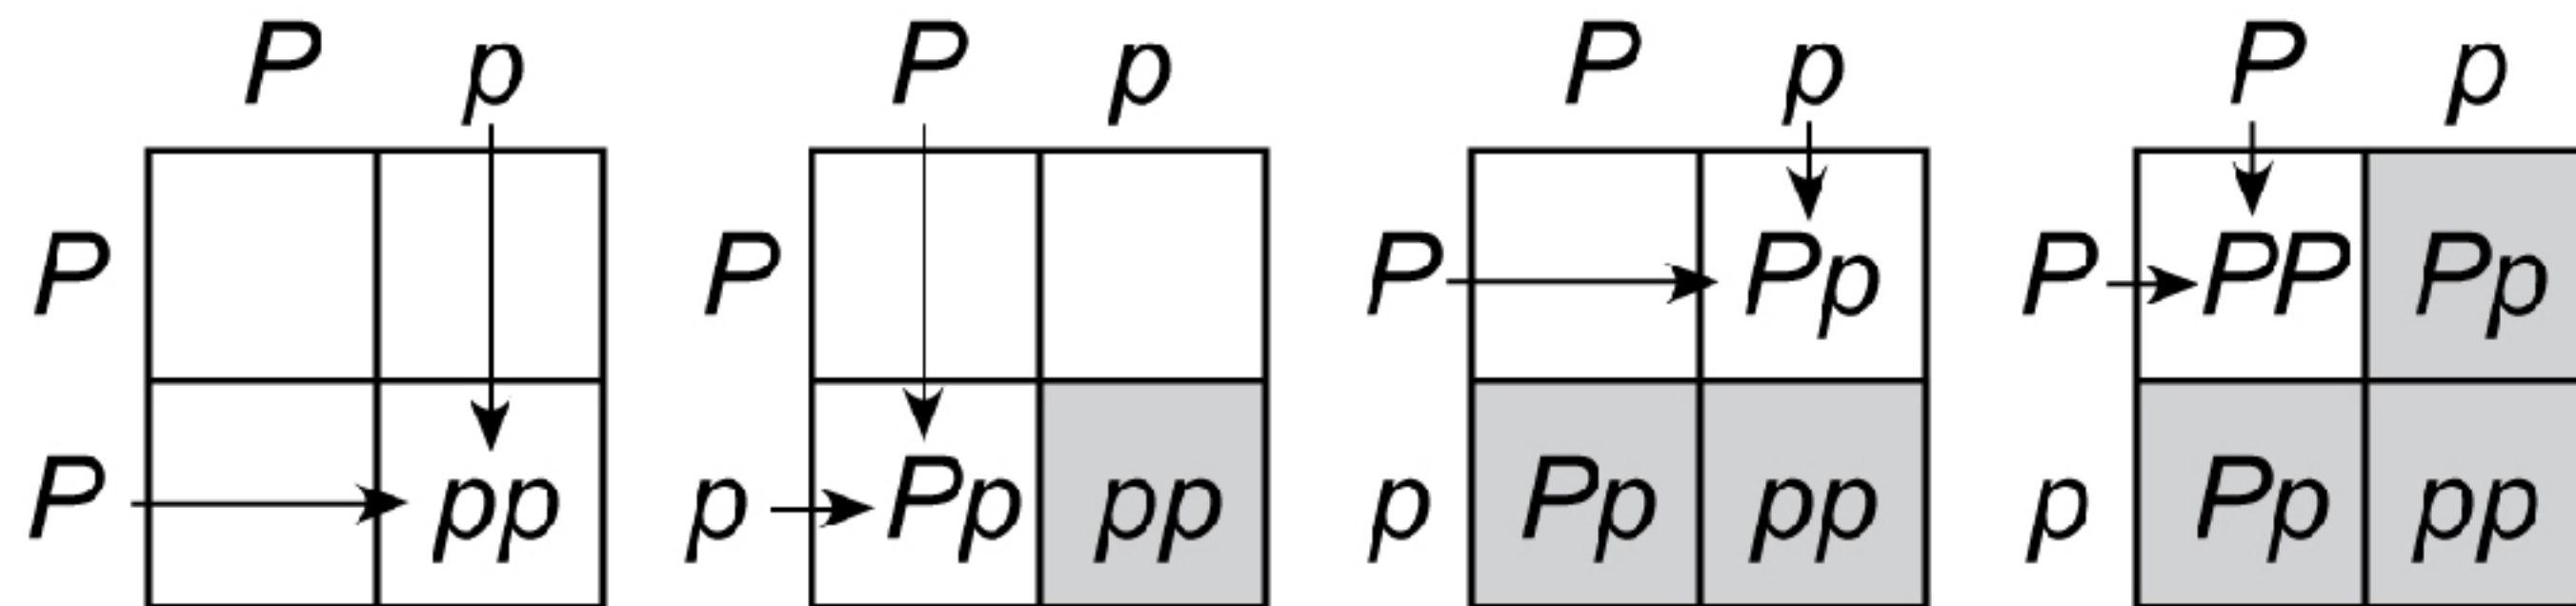

- ❖ The **Punnett Square** is a diagram divided into four quadrants and when complete, shows all of the possible combinations of **alleles** that can result when two organisms mate or cross. (Alleles are alternate forms of genes – which are units of heredity that are transferred from parent to offspring.)
- ❖ In a Punnett Square, an allele is represented by the first letter of the dominant trait
- ❖ In a Punnett Square, the **dominant** allele (an allele that can be fully expressed when only one copy of the allele is passed on) is written with a capital letter
- ❖ In a Punnett Square, the **recessive** allele (an allele that can only be expressed when two copies of an identical allele are passed on) is written with a lowercase letter

	STRAIGHT Male	Gay Male
STRAIGHT Female	STRAIGHT	STRAIGHT
Gay Female	STRAIGHT	Gay

Even according to Darwinian evolution, the “straight” allele is the dominant allele because it is what will help the species to survive.

"There is no single gay gene, and a genetic test for if you're going to have a same-sex relationship is not going to work. It's effectively impossible to predict an individual's sexual behavior from their genome."

Does the Bible speak on homosexuality?

“The Bible has 1,189 chapters and 31,102 verses, but only a dozen or so passages deal directly with homosexuality. Why so little?”

- **Homosexual behavior is specifically condemned in the Mosaic law. (Leviticus)**
- **It is seen as human rebellion in Paul's letter to the Romans.**
- **It is listed among a host of other serious vices that lead to hell in 1 Corinthians and 1 Timothy.**
- **It is the primary reason God destroyed the cities of Sodom and Gommorah.**

- **It is opposite of the marriage union that God outlines in Genesis, Proverbs, Song of Solomon, Matthew, and Ephesians**
- **The Bible is clear and constant in that It ALWAYS speaks negatively about same-sex activities and it is ALWAYS condemned.**
- **Sexual immorality is precisely the sort of sin that characterizes those who will not enter the kingdom of heaven.**

“There are at least eight vice lists in the New Testament (Mark 7:21–22; Romans 1:24–31; 13:13; 1 Corinthians 6:9–10; Galatians 5:19–21; Colossians 3:5–9; 1 Timothy 1:9–10; Revelation 21:8), and sexual immorality is included in every one of these. In fact, in seven of the eight lists there are multiple references to sexual immorality (e.g., impurity, sensuality, orgies, men who practice homosexuality), and in most of the passages some kind of sexual immorality heads the lists. You would be hard-pressed to find a sin more frequently, more uniformly, and more seriously condemned in the New Testament than sexual sin.”

Update below.

In the early hours of Sunday morning, an expert Ph.D. psychologist who helped write the official psychological position on transgender identity was blocked on Twitter for expressing his opinion informed by clinical experience. His well-reasoned position was flagged for "hateful conduct."

On Saturday, Ray Blanchard — the Ph.D. psychologist and adjunct professor at the University of Toronto who served on the working group for gender dysphoria (the persistent condition of identifying with the gender opposite your biological sex) for the DSM V, the gold standard of definitions helping psychologists diagnose disorders for patients — tweeted out his clinically-informed opinion on transgender identity.
