

LESSON 12: NONE BEYOND HOPE
2 Chronicles 33:1-20

*Because God is merciful,
there is hope for the worst of sinners who repent.*

1. MANASSEH WAS THE WORST OF SINNERS

- Manasseh sinned against great light.
- Manasseh sinned boldly.
- Manasseh led others into sin.
- Manasseh loved himself and hated God.

2. MANASSEH REPENTED

- Repentance means turning to God from sin and performing deeds appropriate to repentance.

- Repentance means forsaking self-sufficiency and submissively casting ourselves on God's undeserved favor.

3. REPENTANCE RESULTS IN GOD'S UNDESERVED BLESSINGS

DISCUSSION QUESTIONS

1. Why is humility essential for repentance?
2. Some say that to preach repentance is to add works to faith. Is it? Why? Why not?
3. How do you explain godly parents having a wayward child in light of Proverbs 22:6?
4. How would you have felt if you had been Isaiah's widow when God forgave and restored Manasseh to his throne? Is God's grace "fair" (see Matt. 20:1-16; Luke 15:11-32)?
