

Series: Awe
Message #2: God is an Awesome King
Speaker: Spencer Bernard

Icebreaker: Recall an incident when you were humbled.

The “sticky single sentence summary” or “sermon in a sentence:”

Humility is the starting point for awe.

General Discussion:

Read Daniel Chapter 4

1. How would you define pride? Is all pride sinful? Explain.
2. In verse 30 we see Nebuchadnezzar taking credit for everything he sees. Have you ever been around someone like that (don't use names)? Recall a time.
3. Nebuchadnezzar didn't take Daniel's advice (v.27). Why do you think a lack of awe in God is so dangerous?
4. Nebuchadnezzar finally realizes God is sovereign after his sanity returns (36-37). How does being in awe of God and knowing he is in control of everything impact the way you live?
5. Is there an area of your life where pride tends to creep in? How does this impact your view of God as King?

Gospel-Centered Discussion:

1. Jesus chose humility when he went to the cross. How does his example inspire your awe of Him?
2. How does Jesus' example help you live humbly?
