

•Giants have one goal—to stop your progress and prevent you from reaching your destiny.

- It's time to bring down our giants.
- Your/MY Giant is coming down!
- When you've got a cause the giant doesn't get in your head, you get into his!!!

☑ The Man of the Between

•Champion- The man of the between

- What stood up when you moved forward?
- The Giant in your life is anything that is standing between you and you complete- in healing, finances, relationships, purpose.
 - Giants can be tangible or intangible: the things we haven't overcome because, seduced by fear, we think we can't.
 - They can also be unattainable goals, unfinished projects, or unfulfilled dreams—the “loose ends” of life that keep us mired in mediocrity.

☑ David at the Battle

- What if your miracle is not in your fighting but in your serving?

•Some of you are too famous, important, busy, hurt to face Goliath.

- Some of you still believe your promotion is coming from a friend. This is why you keep trying to be everybody's friend and seeking everyone's approval.

•37 Moreover David said, “The Lord, who delivered me from the paw of the lion and from the paw of the bear, He will deliver me from the hand of this Philistine.” And Saul said to David, “Go, and the Lord be with you!”38 So Saul clothed David with his armor, and he put a bronze helmet on his head; he also clothed him with a coat of mail. 39 David fastened his sword to his armor and tried to walk, for he had not tested them. And David said to Saul, “I cannot walk with these, for I have not tested them. ” So David took them off. 1 Samuel 17:37-39

☑ God be with you, So, let me help...

- This was the problem with Saul, He was always trying to give God a better way.
 - Why didn't Saul have the armor on? Why wasn't he facing the giant?
- He didn't have the armor on because he had quit.

•With more subtlety, however, we should appreciate this poignant moment. Saul the king was placing his royal (albeit inappropriately royal) garments on David.

•**When you are walking in your cause even people who don't believe in you have to anoint you!**

David's opportunity was Saul's lack of options.

•**Saul's armor was also a symbol of failure. "He will Deliver from the hand of the Philistines."**

•Goliath- "Choose a man..." Israel had. It was Saul- head and shoulders...

•**People try to lay their quitting spirit on you!!!**

• **Don't you put that quit on me!**

•**Who's life are you trying to fit into?**

•Saul was the king on the way out. David was his designated replacement.

•**Don't spend your time, energy and emotions trying to fit in with someone who's on their way out.**

•Nothing comes more naturally to people than trying to get someone to fight our battles the way we would were we fighting them.

•You're wearing your failure, I'm wearing my faith!

• **Satan is not attacking you because of where you are. He's attacking you because of where you're going!**

David didn't find God in the valley. He took God into the valley with him.

•I was anointed for this battle.

•The soldiers gasped. Saul sighed. Goliath jeered. David swung. And God made His point. "Anyone who underestimates what God can do with the ordinary has rocks in his head."

•"Is that all you've got, that little sling? That little rock? My Lord, what a pitiful little thing".

• **Everyone has measured David against Goliath.**

• **David measured Goliath against GOD!**

•*What battle are you facing this week?* Even if it's bigger than you can handle...

•Today we're fighting giants. Thank God we're not still fighting lions and bears.

•Our enemies have increased because our miracles are increasing. Yes, there's a new devil, but it's just because we're stepping into a new level.

• **Lions and Bears= EXPERIENCE**

Giants= PROMOTION

- We have been forced to believe God for more.
- God exposes us to more. Store samples.
- *And the people answered him after this manner, saying, 'So shall it be done to the man that killeth him.'*

Every Giant is a Portal

• **Know the difference between the fight that prepares you and the fight that promotes you.**

- Some fights are just for experience. Some are for promotion.
- This is going to increase your reputation and influence among the enemy.
- If you kill him, you get it all. Killing him will affect who you marry. Killing him will affect where you sleep.
- Killing him will change how your story ends. Killing him will open up new doors for you. Killing him will change your daddy's situation. Killing him will affect your entire family. Killing him will affect your entire nation. Killing him will change your job description. You won't have to shovel sheep dung anymore if you could just kill him.

• If you ever get free and step into your calls the generations after you will have an open door to their calls. This is why the enemy is trying to hold you back. The devil new Jesus was in David.

Took off the head.

• Took it to Jerusalem...

You're next!

- We need a call in this day and age for giant killers that have character. There are 82 million free pornographic websites on the internet. There must be a call for character, that you slay your personal bear and lion and then you get to fight God's enemy. Until you defeat your personal enemy, you'll never defeat God's enemy. And God's is watching what you do with the lion and the bear that nobody sees but you and God. And if you defeat that, then He says, "I can trust you with something that is My enemy, that can change things in your family and in your life, and perhaps in the nation".
- If you don't get victory over the Goliath of pornography, it will bring a curse to your family and a curse on your children and your children's children. I want you to notice

something else about giant killers. Giant killers must have character. Giant killers must have discipline. Giant killers are shouters. Giant killers rise up early. Giant killers are submitted to authority. And then, I want you to notice that giant killers don't have two different outfits. They don't have two different wardrobes. When Saul came with his armor and said, "Put my armor on", David said, "I'm not going to put your armor on. I am what I am".
