- These people didn't know God. Their parents didn't know him...
- No wonder they were murmurs, complainers, fearful,
- No wonder they wanted to go back to Egypt. Egypt was all they had ever known.
- Egypt represents sin- when sin is all you ever know, the first time you have trouble walking with God the first thing you'll want to do is go back to the familiar.**
  - Even though you were a slave to it, it abused you, robbed you, you long to go back to the worst things because they are familiar to you.
- **God has to wean you from your past to prepare you for your future.**
