GROW: Going Deeper for Personal Study and Application

- **Reflect:** Where is God calling me to be humbly bold instead of staying quiet? Who needs the strength God has given me, and how can I show up for them this week?
- **Read & Pray:** [Acts 16:16–40](#) — Notice every place courage shows up. [2 Corinthians 1:3–7](#) — Let God's comfort flow through you to others. Holy Spirit, please grow humble boldness in me. Strengthen those in our valley walking through dark seasons or silent battles.
- **Take a Step:** Have one courageous, humble conversation you've been putting off. Invite someone to our Christmas Eve Gathering.
