BRINGING IT HOME

- Confess It: Stop Hiding It
- Bring It: Surrender It Completely
- Leave It: Walk Away Free

RESPOND: If you're ready to take a step, start here

- ____ I've been holding onto something connected to spiritual darkness and I'm done. I'm bringing it to Jesus and walking away for good.
- ____ I've been going through the motions without actually knowing Jesus and I want that to change.
- ____ I know what my book is. The Holy Spirit has been speaking to me about it. Today I'm bringing it to the altar and leaving it there.
- ____ I've never given my life to Jesus, but today I'm ready.

GROW: Going Deeper for Personal Study and Application

- **Reflect:** What has the Holy Spirit been putting His finger on that I've been ignoring? Am I going through the motions of church without actually knowing Jesus? What is my book?
- **Read & Pray:** Read [Acts 19:17-20](#); [Isaiah 6:1-8](#); [Psalm 51:10-12](#). Pray: "*Lord, let Your holy fear fall on me the way it fell on Ephesus. Show me what needs to go. Give me the courage to bring it and the faith to leave it. And if I've been going through the motions without actually knowing You, change that today.*"
- **Take a Step:** Identify your book. Whatever the Holy Spirit has been speaking to you about, don't ignore it. Bring it to Jesus and take one concrete step away from it this week.
