GROW (Going Deeper for Personal Study)

- Is there something God's been calling you to start, speak, or step into, but you've been waiting for a "better" time? What's one step you can take this week in faith?
- Have you ever felt rejected while trying to do something for God? How can Paul's example in [Acts 13](#) shape your response when that happens again?
- Take time this week to read [Acts 13](#) again slowly. What stands out to you now that you didn't see before? How is the Holy Spirit using this chapter to speak to you personally?
