

TITLE: "River of Healing"

MAIN SCRIPTURE: John 4:1-42

BIG IDEA: The River Flows from our Hurt to bring Healing to others.

ICE BREAKER: Share about a time where hurt brought you to a place of isolation.

OPENING THOUGHTS: Christians don't live in wells, we live in The River. We become a spring for the thirsty, a movement sent to show others how to drink and never be thirsty again.

MAIN POINTS IN TEACHING:

1. The River Flows to Thirsty People
2. The River shows the Dry Place what it needs
3. Where the River is where everything will live

DISCUSSION QUESTIONS:

1. What are some of the Barriers that we see Jesus crossing to reach the Woman at the Well?
2. How did Jesus show this woman what her need was?
3. What are some of the hurts that we need healing from?
4. What are some of the Barriers we face in being rivers of living water?
5. What people in the desert is Jesus sending us back to?

CHALLENGE: How is Jesus sending you out of this time with him to be a River of Healing? What does he want you to let go of? Who is he calling you to go reconcile with? How will you be a River in the Desert this week?

CLOSING PRAYER: Jesus sends us as Rivers of Healing into the Desert. May we drink of your living water, may it spring up like a well within us. May our Hurts be healed as we let go of what we've been holding onto. May you send us with the boldness, love, and authority to show others how to drink and never be thirsty again. AMEN
