

Sermon Discussion Guide for I AM Worship Church

## From Pew To Purpose

Pastor Mark Ogletree • Sunday, July 27th, 2025

We hope this material will continue to minister as the sermon was preached during our weekly worship service. When we receive God's Word at church, we need not only to hear the message, but we ought to walk it out in our daily lives. We should "be doers of the word, not only hearers." (James 1:22)

Step 1: GET TOGETHER with your family or group.

Step 2: REVIEW the key points and scriptures from the message.

Step 3: SHARE with your group what God is saying to you through the message.

Step 4: PRAY together, for each other and over each other to continue to walk this word out.

### The Big Idea

God never intended for our faith to stay confined to a Sunday pew—it's meant to become a lifestyle of discipleship that impacts us, our home, and the world around us. *From Pew to Purpose* challenges believers to grow in faith, maturity, and mission by embracing intentional discipleship. Jesus' command to "Go and make disciples" is a call for us to live transformed lives that reach others with purpose.

### Don't Miss This Point!

**Read 2 Peter 3:18. Discipleship is not a program—it's the Christian life itself.** We are urged to "grow in the grace and knowledge of our Lord and Savior Jesus Christ." Real growth doesn't come from attending church alone but from knowing Jesus personally and becoming more like Him. Through the GROW discipleship path, believers are encouraged to develop spiritual habits, deepen their understanding of Scripture, and embrace God's calling with confidence and boldness.

### Another Great Point!

**Read Deuteronomy 6:6-7. Your home is holy ground, and discipleship starts there.** We must impress God's Word on our children and talk about it in everyday life. GROW equips us to bring faith into our households in practical and powerful ways. Whether you are single, married, or parenting, God wants your home to become an altar where His presence is welcomed and His truth is lived out daily. Faith should not be confined to church—it should flourish where we live, talk, and pray together.

### One Last Point!

**Read Colossians 3:23-24. Your workplace, school, and community are part of your mission field.** Daniel's boldness in Babylon models how to stand firm in faith and influence culture without compromise. Discipleship prepares us to serve God with integrity, even in secular spaces. Through GROW, you are empowered to bring the Kingdom into everyday environments—shining your light, sharing your testimony, and living with purpose wherever God has placed you.

### Let's Be Doers!

It's time to say "yes" to growth. Sign up for GROW sessions via the app or website and commit to the next step in your faith journey. Whether you're in a dry season or thriving spiritually, God wants to ignite a deeper fire in you. Don't settle for staying where you are. Let your life become a testimony of transformation. Let your home become an altar. Let your workplace become a mission field.
