ENGAGE THE FUTURE | STUDY GUIDE

Sunday, November 8, 2026 • Primary Scripture: Matthew 17:14-20 (KJV)

Name: _____ **Date:** _____

1 THE LIVING FOUNDATION

Read: 1 Corinthians 3:11; 1 Peter 2:4-5; Ephesians 2:20-22.

How is honoring yesterday different from depending on yesterday?

Where might we depend on past success rather than Christ today?

2 EXERCISE YOUR FAITH

Read: Matthew 17:19-20; Titus 2:11-12; Romans 12:1-2; James 2:17.

What does grace teach believers to do? (Titus 2:11-12)

What part of your life needs renewed surrender?

Think about the yield sign: Am I yielding to God or asking Him to follow me?

3 BUILD FOR THOSE COMING BEHIND YOU

Read: Matthew 28:18-20; 2 Timothy 2:2.

What is the difference between church activity and making disciples?

"Just because you are okay does not mean everything is okay."

Whose needs or growth might you be overlooking?

PERSONAL APPLICATION

Choose one practical next step for this week.

One way I will yield to Christ this week:

One person I will encourage or disciple:

One step I will take by next Sunday:

CLOSING PRAYER

"Thy kingdom come, Lord, let your will be done in me."

Pray for living faith, a willing heart, and courage to help others follow Jesus.
