University of the Word

Dr. Todd Pruitt

Lesson 1- God is the Divine Healer of Mankind

- It is God's Will to Heal **You**, because it is in God's *Redemptive Plan*.
Isaiah 53:4,5; Matthew 8:17; 1 Peter 2:24; James 5
- It is God's Will to Heal because *sickness comes from Satan*. Acts 10:38;
Luke 13:16; John 10:10; 1 John 3:8
- We have a **BETTER** covenant established on **BETTER** promises.
Hebrews 8
- Know the difference between *God* initiating healing, and *Man* initiating his own healing. i.e. Gift of the Spirit vs. Appropriating the promises of God
- Healing is not always *instant*, it is sometimes *gradual*.

Lesson 1- God is the Divine Healer of Mankind

- God's method is SPIRITUAL. God's healing is NOT mental (Unity, Christian Science, metaphysical teaching), neither is it Physical (medical science, doctors, nature, etc.). God is not a MIND.
- Faith and Medicine/doctors are not mutually exclusive, and are not contradictory (e.g. "you either believe God, or go to the doctor..." etc.)
- Divine Healing (or Spiritual Healing) does NOT mean that God heals your Spirit, but that God is a Spirit, and *HE* does the healing!".
- Man is a Spirit being, he has a Soul, and Lives in a Body. (1 Thess. 5:23)

Lesson 1- God is the Divine Healer of Mankind

- Does God heal today? **Yes!**
- He healed in the past: Genesis 20:17; Lev. 13:18, 37; 1 Samuel 6:3; 2 Kings 2:21; 2 Chronicles 30:20; Isa. 6:10, 53:5
- **Healing was God's idea:** God Never changes and He hasn't changed His mind regarding healing! Malachi 3:6; Hebrews 13:8

Settle it today: We must FIRST believe that He is..

Hebrews 11:6

**God is not a respecter of persons.
He is a respecter of Faith.**
