The serpent **doubted** God's word, which led Adam and Eve to sin. What is the risk of doubting God's word? What are the benefits of believing God's word (Romans 1:17, Ephesians 1:13)?

Adam lived "by **faith**" in naming Eve (the mother of life) before she had children. What is one area you can step out in faith and trust God for something you can't see yet (Hebrews 11:1-7)?

God demonstrated **grace** to Adam and Eve by making them garments of skins to protect them. Do you appreciate it when someone demonstrates grace to you? What is one way you can demonstrate grace to someone who made a mistake?

God sets **boundaries** and expels Adam and Eve from the Garden of Eden. There is a temptation to find a way to live forever on earth. How can you resist the temptation to fall for the deception of this life-altering technology?

It is easy for me to imagine that the next great division of the world will be between people who wish to live as **creatures** and people who wish to live as **machines**. Wendell Berry

Whatever is quite happening, it feels to me as if something is indeed being "ushered in..." We are headed increasingly openly toward the endgame of this whole project: transhumanism...this is the salvation offered by **the religion of the Machine**. You will be like gods, knowing good and evil...the crisis of the modern world is not a crisis of technology...it is a spiritual war. Paul Kingsnorth
