**Entrusted: The Gospel at Work**

Life Group Guide

*Brandon Read*

**Opening:**

- Where do you currently find great joy in work, (not just your job) and where is it a struggle to find drive to do work?

**As a group: read through Genesis chapter 1 and reflect on the story of creation.**

- Where do you see beauty in God's creation? How do you experience God in his creation, and how might that bring you to a place of praise and worship?
- In verses 28-30 God commands man to multiply and rule the earth and all creation with Him. How does that form and empower your view on God's creation? How does it make you feel that God invites us to be a part of His work?

**Read Proverbs 6:6-11 together**

- How is laziness a danger? How does it take away from work?
- Where do you find yourself struggling with laziness?

**Read Acts 1:8**

- What is the work we are called to here on earth?
- How do you feel about being entrusted with the Gospel? How may this relate to the story of creation?

**In Closing:**

- How are you currently allowing the Gospel to work in your life, and how are you currently working in the Gospel as you go about life?

**Close in prayer together**
