WORD FROM OUR PASTOR, DR. SKAAR

After a week of temperatures over 100, it's easy to believe we're moving into August. From the standpoint of seasons, we still have a month and a half of summer, but from the standpoint of school and church family life, we are moving out of summer and into fall. Those who work in Grand Prairie schools and most neighboring districts will start back this week, if they haven't already. High School students in bands and fall sports will be practicing in the heat. For all of them, this next week is about preparation.

In our FBC family, we are also in preparation mode for the shift from the summer ministry season to the fall and beyond. Today, following our second service, we are having a Leadership Summit for our Sunday School leaders to get ready for a fresh year in Bible Study and ministry. I am grateful for everyone who serves throughout our church family. No one can do everything, but everyone can do something. Find your place of service. You will be blessed!

God is good. You are loved. Welcome to worship!
