WORD FROM OUR PASTOR, DR. SKAAR

250 years ago, our nation was born with the official adoption of the Declaration of Independence on July 4th by the Continental Congress in Philadelphia. On this day, July 5th, the document was first printed and distributed in the city and sent out to the colonies. The freedom that was declared and fought for in this country had its seeds sown over 40 years earlier when God brought about a spiritual awakening in America known as the Great Awakening. That movement was used to call thousands to experience the true and eternal freedom found in a relationship with Jesus Christ. I thank God for the founding of our nation and pray for a great awakening to move again across our land.

God is good. You are loved. Welcome to worship!
