WORD FROM OUR PASTOR, DR. SKAAR

Today is Mother's Day, a day that has been nationally designated to honor mothers since 1914. The designation of this day is a recognition of a mother's value that is found in the history of God's people, starting in Genesis. It was codified in the 10 Commandments when God said in Exodus 20:12, "Honor your father and mother, so that you may live long in the land the Lord your God is giving you." Proverbs 23:25 says, "May your father and mother be glad; may she who gave you birth rejoice!" One of the greatest ways we can honor our mothers is to live godly lives that reflect Jesus and touch others for Him.

With the month of May comes many end-of-school-year activities, graduation exercises, and the anticipation of the summer season. The first event for the summer will be Vacation Bible School, June 1-4. Laura is still building the volunteer team. If you can help that week, contact Laura to find out where you might serve and help us get ready for a great week that kicks off a summer of mission and ministry for the Lord.

God is good. You are loved. Welcome to worship!
