

Has life ever felt like a movie everyone has seen, except you? If you are tired of feeling like an outsider, then join us every week in February for the series “Insight.” We’ll use the book of Ephesians to learn how the power of “Insight” from God reveals what really holds us back from true life, true love, and true purpose. It could change everything.

Today's Scripture: Ephesians 2:8-10

Supporting Scripture: Revelation 2:4

Sermon Title: “The Query of Love”
