

INCLINE

GROWTH THROUGH THE GOSPEL OF MARK

If you compare yourself now to who you were in 8th grade, would you say you've grown? Of course so, unless you're still in the 8th grade. If we could go back in time with the knowledge we currently have, there is no doubt we would crush 8th grade. Why? Because whether we realize it or not, each of us has been on a steady incline of personal growth from then until now. We have learned from mistakes and our instincts have made us stronger. The question we now face is "*Can we say the same about our spiritual lives?*"
