# 12.30.18 | Today

2019 is almost here! Maybe 2018 was great, maybe it was “meh,” or maybe it’s the year you want to forget. The reality is that a new year brings another opportunity to hit the reset button. Where in your life do you need a reset? In today’s message, Pastor Jon discusses how, even when we attempt to reset certain aspects of our life, we will never experience the life that Jesus purchased for us unless we hit a reset in the area of grace.
