10.29.17 | Today

500 years ago this week, Martin Luther unintentionally started a movement that would change the church as we know it. At the heart of this movement, called the Reformation, was one central biblical teaching - everyone has access to God in Jesus and no one else. As Faith - Columbia steps out in faith asking, "What's Next?" Pastor Jon Palmer shares that, because of Jesus, we have a way to be saved, a truth to share, and a life to live.
